Potentate's Message

Spring, "beautiful Spring," have come.

According to the poet it is the time a young man's fancy turns to love, the road-stand merchant lays in his stock of hot dogs, the baseball fan tests out his back-firing tonsils, and the golfer practices his follow through; it is also the propitious period that you he-Shriners yearn for a Ceremonial.

You shall have one. — Check!

The desert sands have been blown all over the floor of our desert, the heat turned on, and by May 16 they will be hot, red-hot for the unregenerates, — who through your efforts should number many, — when the caravan is formed.

You will find the blank petition for membership on the second cover page. You know what to do with it. Everybody has a friend that he wants to make a Shriner. — Check and Double Check!

This is going to be a big Ceremonial. Big in everything: attendance, candidates, stunts, — and in plenty of fun, also plenty of good things for the department of the interior.

Just to make things more cheerful, despite and no matter how business is, we have told the Steward to send out his couriers to travel afar and procure an abundance of luscious strawberries, make them into the famous shortcake, and slather them with whipped cream to tempt your palates and stimulate your jaded appetites. Check, again!

When you enter the Temple, have shown your card and whispered into the good ear of the outer guard the magic words, do not miss the Nobles with the printed program of the Ceremonial.

As you plan your "time out" for the Summer, make a reservation about the middle of July for the Annual Outing. The plans are in process, and, as soon as possible, the definite day and full particulars will be made known.

With a large organization like ours it is difficult to know of cases of illness among our Nobles. We want to be advised and to keep in touch with our members. Please report such cases to the Recorder. It often helps a fellow to know that his friends are interested, and a message of good cheer is as potent as the doctor's pills. Let us make it a matter of whole-souled interest and every Noble a "visiting committee."

Everybody who attended the concerts given by the Drum Corps and the ball of the Patrol has words of praise and satisfaction. I wish to thank the Nobles who gave their patronage, and particularly the members of the uniformed units for their splendid efforts in promoting and carrying out in a high-class and dignified manner a series of entertainments that reflected credit to the Temple.

It was a matter of interest to me to be informed of the active part that is being taken and the service that has been rendered in the prerequisite bodies by Nobles of the Patrol, among whom I am advised sixteen are serving or have served as Masters, twelve as High Priests, eight as Commanders, two as Illustrious Masters, and six as Treasurers. Twenty-four are at present filling chairs in the various bodies.

I have no doubt that in the other units, the Drum Corps, Mounted Patrol and Degree Staff, an equal proportion of efficient workers will be found.

As the last word, the one I wish to particularly emphasize, I want to convey to the Nobility the expression of my gratitude and appreciation of their confidence in re-electing me to the office of Potentate. You may be assured that I recognize the responsibility and the obligations of the office, and shall by sincere and honest effort give to you the best that I have to give. I am proud of Aleppo Temple and ambitious to keep it at the head of the long line of Temples that carry on throughout North America. The success of my administration depends, very largely, on the support you give, and I am confident that you will be generous in that respect. — Let's work together.

Yours in the true faith,

Potentate.

RECORDER'S RAVELINGS

NOBLES NOBLES NOBLES

WE WANT NOVICES ↔ WE NEED NOVICES

HOW ABOUT THAT FRIEND who is entitled to join the Shrine? Why not sign him up now? Surely you would like to see him wearing a fez, and just as surely you would like to be able to call him Noble for his own sake. It takes Novices and plenty of them to make good meetings. It's up to you how many meetings we have. How many candidates will we have for this meeting? LET'S GO.

DON'T KNOCK

*"A good thing to remember
And a better thing to do
Is to work with the CONSTRUCTION GANG —
Not with the wrecking crew."*

CANDIDATE

WALTER SAYS: Let's do a little constructing and, "ROUND 'EM UP."

YOUR 1930 SHRINE CARD

You must have your 1930 card to get into the meeting. We have several on hand that we are willing to exchange for checks, money order, or cash. If you have not received yours yet, send in your remittance, NOW. Do not wait until the last minute.

*The rose is red, the violet blue;
Your little dues are overdue.
So pay them now — don't wait till when
The rose and violet bloom again.*

TIN FOIL

In a recent notice we asked the Nobles to save tin foil and ship it to this office (1320 Statler Building, Boston), to be sold, the proceeds to go to the "Aleppo Temple Crippled Children's Fund."

We have received to date a total of \$350.00, which has been deposited to the credit of the fund. This is far in excess of our greatest expectation.

We wish to take this opportunity to thank all of the Nobles, and all others, who have interested themselves in this work.

We are advised that according to schedule AA the I. C. C. empowers the Railroads to ship FREE anything that is for charity. THIS INCLUDES OUR TIN FOIL. BUT, it must be declared at the shipping point, as no refund can be had at this end.

LET THE GOOD WORK GO ON.

Did you ever stop to consider the value of your Shrine Card? Possibly you regard it just as a receipt for dues. It is more. Much more. In addition to admitting you into any of the 157 Shrine Temples of North America, it is a letter of introduction and recommendation to over half a million worthy Nobles throughout North America. With this fact in mind, Nobles, guard your card, sign it when you receive it, and keep it where it cannot fall into the hands of an impostor who might use it for the purpose of working the Nobility for loans and cashing worthless checks. Should you be approached for assistance, financial or otherwise, by any person claiming to be a Noble, send him to the Recorder, who will see that he gets proper assistance. The Recorder is in a position to determine whether a man is deserving or an impostor; he has been tried many times. AND HOW.

PLEDGE of ALLEGIANCE

I pledge allegiance to my Flag, and to

liberty and justice for all.

all Nobles at every ceremonial.)*
